The following drivers underpin our school curriculum and, with our vision and values, allow us to deliver our curriculum strategy. These key drivers are personal to our schools and reflect the locational, social and educational needs of our community.

Curriculum Driver	Links within our curriculum this half term
Christianity and Faith	Celebrating people's differences through different faiths, beliefs and cultures. Performing songs and speaking in church to celebrate and commemorate Remembrance Day. Taking part in the school Christmas performance for the local community.
Legacy and making a difference	Becoming more aware of the impact of WWI on Britain. Recognising how life changed for women after the WWI and why. Celebrating the sacrifice of many families during various Wars by taking part in a Remembrance Day Service at Holy Cross. Comparing life in WWI to life in our local community.
Outdoor learning and our local area	Becoming and Eco Schools Representatives. Becoming a part of the School Council to make decisions about charities to support. Exploring what we can do to make do and mend clothes or how to recycle or reuse unwanted clothing.
Wider World and Diversity	Celebrating differences - diversity and stereotyping around the world and our local community. Making decisions as part of the School Council. Looking at a famous scientist and how they created fair tests to create new technologies. Exploring the impact William Shakespeare had on writing plays and sonnets.
